FREEDOM

A photograph of a modern yacht's interior. The cabin features light-colored wooden flooring and large windows with yellow curtains overlooking a bright blue sea and a distant shoreline with buildings under a clear sky. Inside, there is a dark brown sofa and a matching armchair, both with small pillows, positioned around a small black side table with three decorative items. A fireplace is visible on the left. The word "FREEDOM" is printed in white capital letters at the bottom left corner.
